

Technical cross-section diagram of a drainage system (Griezums 1-1). The diagram shows a drainage channel with a grate, side walls, and a base. Key components and dimensions are labeled:

- SKATĪT NORĀDI 1**: View direction 1.
- MAX 400**: Maximum height of the channel.
- CO***: Channel width.
- 190***: Grate width.
- Ø500***: Pipe diameter.
- Balsts KUM mezglam**: Support for the KUM (Kum) component.
- Akas pamatne**: Base of the channel.
- SKATĪT NORĀDI 3**: View direction 3.
- 1, 2, 3, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 17**: Component numbers.
- Ū1**: Water flow direction.
